**Service Partnership Agreement between Winterthur Gas & Diesel
and CSSC Marine Service Co, Ltd.**

Dear Supplier,

As you are likely aware in 2015 and 2016 Wärtsilä Switzerland Ltd was sold to China State Shipbuilding Corporation (CSSC). The former Wärtsilä Switzerland was renamed Winterthur Gas and Diesel Ltd (WinGD). WinGD as the developer and licensor of low-speed diesel and dual fuel engines founded in 1898, remains the owner of all related intellectual property rights.

WinGD and CSSC Marine Service Co, Ltd. signed a service partnership on 18th January 2018 for all low-speed components and aftersales business. In this context WinGD authorises CMS to purchase without restriction from all suppliers any parts or components for WinGD engines.

Please contact the undersigned for additional information and/or inquiries for strategic supply with CMS.

Yours sincerely,

CSSC Marine Service Co.,Ltd.

Winterthur Gas & Diesel Ltd.
